MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Criteria for the Hiring of Retired Annuitants

REFERENCE : Memo fr DD/S to D/Pers dtd 19 Jan 67,
Subject: Actions by Personnel

1. This memorandum is for information.

2. Paragraph c. of referent memorandum concerns the request of the Executive Director for the establishment of criteria for the hiring of retired (civilian) annuitants and specifying the basis for the hiring and use of these individuals. I am attaching a copy of Draft B of HN [] which I believe will satisfy this requirement. It is my understanding that Agency coordination of this draft is near completion and that the few questions raised about it have been satisfactorily resolved.

3. It is our intention to incorporate in due course HN [] in an appropriate regulation. It was initiated as a "Notice" with the thought that we might want to live with the policies and procedures for a while on a trial and error basis before casting in concrete.
